

UNIFORM and SUNSMART POLICY

RATIONALE:

The Findon Primary School Uniform and SunSmart Policy reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. Issues of equality, health and safety and expense are factors that contribute to the establishment of the Uniform and SunSmart Policy.

This policy applies to all school events on and off site.

AIMS:

- To promote equality amongst all students
- To further develop a sense of pride in and connection with our school
- To provide durable clothing that is cost effective and practical for our school environment
- To provide easy identification of students within the school and community
- To maintain and enhance the positive image of the school in the community
- To promote a healthy UV exposure balance to help with Vitamin D and minimise the risk of skin and eye damage and skin cancer
- To provide students with protection from overexposure to harmful UV rays
- To encourage students to be lifelong participants in sun protection procedures
